Praying Through the 100 Gateway Cities of the 10 - 40 Window

Month/Year: No Date; Book; YWAM Publishing; ISBN: 0927545802; Call Number: 269; Purchase Date: 10/12/2006; Grade Level: 5; Location: Bookshelf A; Finished: False

This book focuses on the major urban centers in the 10/40 window. The background and statistical information for each city (including unreached peoples) is laid out in easy to read format. A map is also provided for each city and can help one keep the city in perspective. Specific prayer requests are listed for each city. I have found this book to be an excellent companion book to Praying Through the Window III: The Unreached Peoples. Using these books in tandem will not only make your prayer life more focused, but will also give you a deeper appreciation for other peoples around the world.
